*Thoughtfully
designed
professional,
business, and
residential
development.*

I am a general contractor whose business is critically dependent on good working relationships with my chosen subcontractors. I have called on Geoff and his crew at Newcastle Electric for many years to deliver quality work at a competitive price. They have never let me down. His service and professionalism have been top notch in both residential and commercial arenas.

Norman Beach

A handwritten signature in blue ink that reads "Norman Beach". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
